East London

CREATIVE COMMUNITY DAY

Join us at St John's Church for a vibrant family event celebrating wellbeing, with music, games, a smoothie bike, frozen yoghurt, and plenty more fun activities for everyone to enjoy! You'll also have the chance to meet our fantastic event partners: connect with the Working Well Trust as they share their inspiring ideas for wellbeing; chat with Mary Ward about their exciting upcoming sessions; and meet a representative from City Bouldering to sign up for a free climbing session. It's an afternoon of connection, discovery, and fun — we look forward to seeing you there at the start of our exciting trail for the day!

MARY WARD

Stop and get involved! Paint a giant canvas on the route hosted by Mary Ward Centre and Nostalgia Nights. Make your mark on a communal art piece (or PicShare) - add your line and pass it on! Take your creative spirit further to Mary Ward Centre to design, print and press your very own custom U Shirt, the only limit is your imagination.

DANCING CITY

On the same day, don't miss the return of the ever-popular Dancing City festival, which we're proud to sponsor! This year's open-air dance celebration will take over the Town Centre and The Source with two powerful performances that promise to captivate and inspire: Fragments of Us (1 pm & 3.20 pm | Stratford Rooftop, Stratford Town Centre, E15 1BX) and When Jazz Meets Hip Hop (1.30 PM & 3:00 pm | Stratford Rooftop, Stratford Town Centre, E15 1BX)

CITY BOLDERING

City Bouldering will be holding 30-minute Family and Intro sessions throughout the day! Come by and let us know that you're part of the event, and we can book you onto the nearest time! Unable to stay for a session on the day? Not to worry! We'll show you around and give you a discount to book a session for the future!
